Instructions

Back piece

Crochet ch 21.

1. Skip first ch and htr in each st. Turn. (20)
2. Ch 1 (does not count as a stitch from here on out), htr bl in each st Turn. (20)
- 3-5. Repeat row 2 for a total of 5 rows.

When you reach the end of the last row, don't turn. Ch 16 and then turn.

6. Skip first st and htr in each of the 15 ch from previous row. Continue doing htr bl across. Turn. (35)

7. Ch1, htr bl in each st across. Turn.

8-18. Repeat row 7 for a total of 13 rows. (35)

19. Ch1, htr bl in next 20 st. First short row made. Turn. (20) 20-23. Repeat row 19 for a total of 5 short rows. Cut yarn. (20)

Repeat for front piece.

If you want a shorter front piece, start with a starting chain of 16 stitches, and crochet rows 20-24 with 15 stitches instead of 20.

Lay your two pieces on top of each other, making sure that the pieces match each other. There is no right or wrong side, but each of the sides is different in terms of rib placement.

Start at the top of the collar and crochet slip stitches or sew the pieces together down the collar and across the shoulder. Cut yarn. Repeat on the other side.
