Bruno the bear is an easy pattern to make. He can be made even if you are a beginner or are skilled in crocheting. The bear is really good for play, changing his clothes or for a snuggle. It is the perfect bear to make for your child, grandchild or great-grandchild. I have used [Infinity Hearts Rose 8/4](#) to make the bear, but you can use all brands as long as it is 8/4 cotton yarn.

Size

Bruno the bear is about 24 cm high and is perfect for play or as a snuggle friend at bedtime.

Assembly

Sew the head to the body so the eyes turn forward.

Place the snout in the row under the eyes and sew it on. Stuff the snout a little before closing.

Sew the nose on and weave in the end as a line under the snout as a mouth.

Squeeze the ears flat and sew them onto the head. (Or wait until you have made the hat to put the ears more precise).

Sew the arm to the body close by the head.

Sew the tail to the body, at row 25-26 on the middle of the body.

Make eyebrows by sewing 2 lines over the eyes.

If you want the same eyes, you can pull the eyes in by sticking in a small piece of yarn behind the eye and through the head, to the other eye and out and in again and back towards the other eye. Pull until you get the result you want and tie a knot. Weave in the ends.

Accessories

Scarf (Petrol Green no. 241 and Bordeaux Red no. 24)

Always 1 ch when turning.

1. r: ch 6, turn

2 r: 1 dc in each ch, turn

Repeat r 2 until scarf is at the length you want.

Alternate between the colors for each 4 rows. Mine is 25 cm long.

Fasten off and weave in the ends.

Cut 12 pieces of yarn at approx. 5-6 cm. Sew the 6 pieces of yarn in each end of the scarf. Cut the ends as you wish.
