rs = right side

P = Purl

K = Knit

Instructions

Cast on 66 s and knit back and forth like this:

Row 1 (ws): Slip the first stitch as if to purl with yarn in front of the work. Purl until you have 1 stitch left, then finish with K1.

Row 2 (rs): Slip the first stitch as if to purl with yarn in front of the work. Knit *P1, K2* – repeat until you have 2 s left, finish with P1, K1.

Repeat row 1 and 2 until your kitchen towel measures approx. 44cm, or until the yarn skein is almost used up, finish with Row 1 and cast off with K stitches.

Use the crochet hook and crochet 20 chain stitches to make a little strap on the corner edge. Sew the strap attached. Fasten off.

Wash and block – if needed.
