## Abbreviations

St = Stitch

## Instructions

Cast on 88 (92) st on a circular needle with colour A

Work 9 rows back and forth.

Place stitch marker, gather the work and work 1 round with colour A

Work through the diagram 10 times. You read the diagram from right to left.

X = colour A

Empty space = colour B

		X	X			X	X		
		X	X			X	X		
X	X			X	X			X	X
X	X			X	X			X	X

Knit a round with colour A

Turn the work so that you are knitting in the opposite direction and work 8 rows back and forth

On round 9 you cast off – you cast off from the back.

### Finishing

Weave in ends. Note that you achieve the fan-shaped effect at the front by not sewing the ridge edges together. If you want a more "tube shaped" model, you can sew them together.
